DETAILED ACTION

Response to Amendment

This Office Action has been issued in response to amendment filed 6 May 2008. Applicant's arguments have been carefully and fully considered and are persuasive. Therefore, the rejection has been withdrawn. However, upon further consideration, a new ground(s) of rejection is made as shown *infra*. Accordingly, this action has **NOT** been made final.

Claim Status

Claims 1, 3-14, 16-18, 20-23, and 25-29 remain pending and are ready for examination.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims **1, 3-13, 18, and 20-21** are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Independent claims 1, 10, and 18 recite in part, '... assign a higher priority to compressed memory read operations in comparison to other operations.' This is indefinite. Referring back to Applicant's specification, paragraph 0015, support is found for the limitation. However, the Examiner is unsure if Applicant intends for the limitation to cover a higher priority being assigned to a read of compressed memory, or if a read itself is compressed. Further clarification is requested.

Any claim not specifically addressed is rejected to at least by virtue of its dependency.

Allowable Subject Matter

Claims **14**, **16-17**, **22-23**, and **25-29** are allowed.

Claims **1**, **3-13**, **18**, and **20-21** would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

Response to Arguments

Applicant's arguments, filed 6 May 2008, have been fully considered and are persuasive. However, upon further consideration, a new ground(s) of rejection is made.

Any argument not specifically addressed is considered moot in view of the new ground(s) of rejection.
